

Pumpkin Harvest *Scavenger Hunt Card*

Look for the Great Park Jack-O-Lantern hidden at four locations throughout the Great Park. Get your card punched at each stop and redeem it at a Great Park information booth for the second of four limited-edition event pins!

CLUE: You'll find me learning about how this Orange County food bank fights hunger by giving away more than 20 million pounds of food a year.
Hint: I spy a big bat nearby!

CLUE: You can find me across the way from the clue above! There's more to learn from this "Second" food bank, which feeds more than 240,000 Orange County residents throughout the year.

CLUE: Let's see what's cooking at the Great Park! I'm learning cooking tricks from chefs in the Back 40. Just follow your nose!

CLUE: Walk your way to the Palm Court and play a game with me that's as easy as cake! It's like musical chairs, with tasty baked treats as prizes. Yum!

The next pin will be available at Great Night! Great Park Family New Year's Eve, Monday, December 31, 2012.
